

Dear Ms. Risse,

With extensive experience in marketing and communications, I am writing to express my keen interest in the Marketing Coordinator Tradefairs (f/m/d) position at easyFairs Switzerland GmbH, as advertised on your career page. My qualifications align closely with the requirements outlined for this role.

My background includes significant experience in marketing and communications, particularly through my role as an Intern in Marketing & Communications, where I assisted in the launch of various marketing initiatives and successfully implemented a new global website in Switzerland. These experiences have provided me with a comprehensive understanding of developing and executing digital communication strategies across multiple channels, including email and web content management. Furthermore, my strong communication skills, coupled with fluency in both German and English, align well with the international scope of your operations and the requirements for creating target group-oriented content.

My curriculum vitae, detailing my qualifications and professional history, is attached for your review. I am available for an interview at your earliest convenience to discuss how my skills and experience can benefit easyFairs Switzerland GmbH.

Sincerely,  
Daniela Muster
